I'm sorry, but I don't understand what Hazardous Waste Manifests you are looking for. Manifests for the recent Interim Removal Action (IRM) have not been submitted yet. They will be submitted with the final report.

If you are wanting copies of all hazardous waste manifests in the site file, you will need to make a FOIA request for those.

Ms. Nolan-

Are you looking for manifests associated with the recent Interim removal action? Or for a certain time period?

Ms. Jump:

I am going to put in a FOIA for the 104e letter/resposne, but I have an additional question.

Do you know if all of the HazWaste Manifests for the Clean Harbors/Safety Kleen site were collected for EPA or KDHE work on this, and are they in one place? If so, where? If not, any idea who I might contact to request them

Again, thank you.

Ms. Nolan-

I received your voice mail concerning a 104E letter for the Clean Harbors facility with regards to the NIC site. I will check the files tomorrow and get back with you.

Ms. Jump:

I am wondering about some items I cannot locate and maybe I am not looking at the index correctly or what I requested properly.

I am still looking for:

- Any/all correspondence and communications between the agency/agencies and Clean Harbors where the subject matter of the communication or discussion was about the clean-up standards or the Interim Remedy at the site.?

Please let me know.
